BUT ICE USAGE STILL HIGH
Ice Man: A Thing Of The Past

The days of the ice man are over. The last of the ice men sold ice from a wagon on the square last winter. Fearful of fire and the danger of keeping ice in his cold storage building, he left the city and returned to a farm near Crockett. He made his last delivery of ice last winter.

 сообщение о том, что продавец льда перестал работать в городе. Последний продавец льда продавал лед с вагона на площади в прошлом году. Из-за опасности пожара и опасности хранения льда в его холодильном помещении, он покинул город и вернулся на ферму недалеко от Крекет. Последний раз он сделал доставку льда в прошлом году.
