Split verdict on tax breaks

There is no conflict in the conclusion that the majority of the voters would support tax breaks for businesses. This decision was made in the best interest of the community. The decision was made with the best interest of the community.

Comment

Mexico today and tomorrow

By Anthony Aurigen

Sensing the News

The news is filled with stories of the problems facing Mexico today. The government continues to struggle with issues such as poverty, corruption, and drug trafficking. The people of Mexico are seeking solutions to these problems, and it is up to the government to listen and respond.

Canal business is booming

The canal business is booming in the area. There are many businesses that depend on the waterway, and it is important that we support these businesses. The canal business is a vital part of our economy, and it is important that we work together to ensure its continued success.

Dee’s Doodles

My favorite memory

I have many favorite memories, but one that stands out is when I went on a trip to Mexico with my family. It was a great experience, and I will always remember it. The people were warm and welcoming, and the food was amazing.

A NATURE WALK

If you are looking for a nature walk, I highly recommend Walworth Park. It is a beautiful park with many trails to explore. The scenery is breathtaking, and it is a great place to spend a few hours.

Renovation of old jail is approved

By Charles R. Ausman

The old jail in downtown Carlsbad is being renovated and will soon be used as a community center. This is a great project, and it is exciting to see the progress that is being made.

College to offer oil painting course

Fresno Junior College will be offering an oil painting course next semester. This is a great opportunity for students who are interested in art. The course will be taught by a well-respected artist, and it is sure to be a valuable experience.

Accidents send six to hospital

The six people who were injured in the car accident were taken to the hospital. They are all expected to make a full recovery. The accident was a reminder of the importance of driving safely and being aware of the road.
