# DEPARTMENT OF WORKFORCE AND CONTINUING EDUCATION

---

The college staff recognizes that learning continues throughout the life of an individual. Opportunities are provided for individuals to pursue or resume intellectual interests, to increase job skills, to keep pace with rapidly changing technology in the workplace, and to enrich and improve lives with creative interests.

Division of Workforce and Continuing Education goals are increasingly focused on meeting the career needs of individuals by giving them the means to cope with the technological revolution of the work place and by giving them both the opportunity to earn a new career in a volatile job market or to increase skills in order to secure job advancement.

Additionally, this division focuses on the growth and development of local business and industry through economic development activities.

The Division of Workforce and Continuing Education reaches out to the community to draw the general public into the life of the college community by offering services to improve the social, physical and economic well-being of individuals in the community. This division also provides job-specific, customized training for use by business and industry with programs which meet the needs of the businesses in Panola College's service area.

## **Director**

Whitney McBee  
W. C. Smith Building  
Carthage, Texas 75633  
(903) 693-2067

## **Workforce Development**

Assessing workplace skills and providing training to close gaps for the incumbent workforce is provided by the Workforce and Continuing Education Department. Through foundational and technical skills testing and training, workers are equipped with the skills needed to succeed in today's workforce.

For more information on these programs or other business/industry training needs, call (903) 693-2067 to arrange a free consultation.

## **Community Education**

Panola College offers a wide variety of educational opportunities through Workforce and Continuing Education. These non-credit programs offer occupational and career training, job readiness skills, professional education, senior adult courses and activities, youth programs, certification programs, as well as basic skills, language improvement classes, courses for pleasure and recreation, and arts and crafts. Classes are open to anyone 17 years of age who has been awarded a high school diploma or its equivalent, anyone 18 years of age or older regardless of the person's previous educational experience, and students eligible for concurrent/dual credit who have completed their sophomore year of high school.

Teen program classes provide opportunities to learn everyday skills like cooking, as well as fun art classes. Teens can also learn to decorate on a budget or they can take introductory courses in the technical skills field to sample career choices they may not have considered.

Community education provides opportunities in a variety of areas, including hobbies, personal health, physical fitness, and even to learn a new language. Courses are tailored to meet community needs and interests. Courses may also be organized to provide customized training for industry or groups. For more information, call (903) 693-2067.

Non-credit courses in the following areas are scheduled at various times during the academic year. Interested persons should check the schedule available online at <http://www.panola.edu/wkfc-cont-ed/> to determine the particular courses offered each term.
