STATEMENT OF MISSION

Panola College is dedicated to providing excellence in education. The range of educational offerings includes university transfer programs, technical and workforce programs, instruction designed to increase academic proficiencies, and continuing education to enrich lives and improve skills. Our aim is to engage students to achieve success.

STUDENT SUCCESS PURPOSES

The Student Success Center offers services to all Panola College students, both in and out of the classroom, to provide them with unique opportunities to develop and enhance their personal, social, and educational identity.

Admissions and Records

Realizing that attending Panola College may be the first or only College experience for some, the staff strives to meet the students' concerns during the admission and registration processes, enabling them to benefit from the educational and social experiences available. This office is also responsible for the maintenance and security of the educational records that will be needed as students seek additional education, employment, and the fulfillment of personal goals. Students seeking admission may complete the Apply Texas Application to Two-Year Institutions online at www.panola.edu.

Bacterial Meningitis

Beginning January 1, 2012, Texas state law requires the following: All entering students under 22 years of age must provide documentation of receiving an initial bacterial meningitis vaccination dose or booster within the last 5 years. This includes all new and transfer-students, as well as former students who are re-enrolling after a break in enrollment. Students must show proof of having the vaccination at least 10 days prior to the start of the semester.

Academic Advisors and Guidance

The primary function of the counseling program is to help students adjust to the College environment as well as provide academic and career counseling. Advisors also provide referral information when requested. Advisors may assist students with the selection of schools to continue further study. In addition, students should meet with departmental faculty advisors for additional information about courses of study, transfer options, and career planning. All new students, students required to take a developmental course, students in a certificate or Career and Technical field of study will be required to see an academic advisor prior to registration each semester.

Job Placement

Panola College attempts to assist students in job placement. Interest assessment, investigating career options, and access to occupational information are provided by the Career Information Center. Job opportunities are posted regularly on designated bulletin boards. Directors of career programs provide placement information to graduates of these programs. Finding employment is ultimately the student's responsibility.

Students with Disabilities

Panola College shall promote an environment that provides reasonable access to all programs, courses, and activities for students with disabilities, and to provide information and consultation about specific disabilities to the entire College community. Reasonable accommodations and support services for students with disabilities will be provided upon request. Requests must be submitted in writing with appropriate documentation to the Career/Technical Advisor. Students seeking help should meet with the Career/Technical Advisor whose office is located in the Student Success Center.

Student Activities

Student activities are provided to complement the academic program of studies and enhance the social understanding, leadership, and responsibility of students through development of, exposure to, and participation in social, cultural, intellectual, recreational, and governance programs.

Student Orientation

Orientation is conducted to help entering students maximize their chances for success at Panola College. Orientation sessions include important information on registration, academic advisement, financial aid, student activities, and other support services and programs available to students. Orientation also provides a new student with the opportunity to ask questions and to meet other students.

Testing and Assessment

Panola College offers a variety of testing and assessment services. The College gives the Texas Success Initiative (TSI) Test daily, (Monday through Thursday) at the Carthage campus & periodically at the Marshall and Center campuses. This test is offered at area high schools upon request. Individuals wishing to enroll in any of Panola College's academic or career/technical programs must provide acceptable placement test scores prior to enrolling. The ACT (American College Testing Program) may be taken on the Carthage campus in February, April and October. The GED (General Educational Development) Test is given regularly at the Carthage campus and two times each semester at the Center campus. The HESI (Health Education Systems, Inc.) test is administered in February and September at the Carthage and Center campuses for admissions to the Vocational Nursing and Associate Degree Nursing programs. The Work keys test is administered on an as needed basis at the Carthage and Center campuses for admission to the Cosmetology program. Contact the Student Success Center for information about tests and for scheduling.

POLICIES AND PROCEDURES

Inclement Weather Policy

Panola College has scheduled its instructional program to comply with the Common Calendar of the Texas Higher Education Coordinating Board, as well as to meet instructional requirements for awarding credit hours earned. College instructors are obligated to meet all scheduled classes. If severe weather makes it necessary to cancel classes, the College Administration will notify students through emails, text messages, local television, and radio stations. If the College cancels classes then all work is delayed until the next class meeting or until a date determined by the instructor. If a student is in an area which experiences severe weather and the College has not officially closed, it is that student's responsibility to decide whether or not to attend class. The student must then contact the instructor for information concerning make-up of work missed.

Official Publications

All students should be knowledgeable and responsible for information published in the *General Catalog*, *The Pathfinder*, the *Schedule of Classes* and other publications pertaining to policies and procedures.

Schedule of Classes

Courses to be offered each semester will be published online in the *Schedule of Classes* prior to the beginning of each semester. The *Schedule* includes meeting days, times, location, and instructor for each course. Copies of these schedules will be available online www.panola.edu. The College reserves the right to cancel any course section for any semester in which there is an inadequate number of registrants. The College may also change the instructor for a given course without prior notice.

Texas Common Course Numbering System

By joining the Texas Common Course Numbering System, Panola College simplified the transfer process for students by making transfer evaluation at the receiving school more standardized. Member schools have implemented a four-letter course prefix as well as a four-digit course number. For example, all schools in the system use ENGL as the prefix for English courses. The first digit in this number indicates the level or year of the course (for example, the number 1 would indicate a freshman-level course). The second number indicates the number of hours to be earned in the course. (For example, a 3 would indicate three College credit hours). The last two digits indicate the sequence of a course in a program of study. (For example, the numbers 01 would indicate that the course was the first of the sequence).

Core Curriculum

"Core curriculum" means the curriculum in creative arts, humanities, sciences, political, social, and cultural history that all undergraduate students of an institution of higher education are required to complete before receiving an academic undergraduate degree. Each institution of higher education shall adopt a core curriculum of no less than 42 semester credit hours, including specific courses comprising the curriculum. Refer to the *General Catalog* for detailed information.

Field of Study

Prior to registration each semester, all students are recommended to see an advisor to be assisted in selecting their courses. Several selected programs and majors are blocked and the students will be required to see an advisor each semester in order to register. The catalog of the transfer school should be studied carefully, making certain that the student takes only courses which are equivalent to those required by the senior College of his or her choice. Articulation agreements with universities indicate the courses that are equivalent to the specific degree requirements are available in the Student Success Center.

Unit of Credit

The standard unit of credit at Panola College is the semester hour. One credit hour is awarded for each hour of lecture scheduled in a week of instruction in a semester. Generally, three hours of lab instruction in a week earn one hour of semester credit.

Student Load Information

A student enrolled in fewer than 12 semester hours is classified as a part-time student. Individuals enrolled in 12 or more semester hours are classified as full-time students. A normal student load during a fall or spring semester is five academic or career/technical courses totaling 14 to 17 hours of instruction. To this total, a student may add one-hour courses such as a physical education activity course. Students wishing to enroll in six academic courses will need to secure the written permission of the Vice President of Instruction after providing documentation of past academic success. A normal load during a five-week summer session is 6 semester hours with a maximum load being 7 semester hours.

Determining the Grade Point Average

The following grades have the indicated number of points assigned for each semester hour of credit earned:

A (excellent)	4 grade points
B (above average)	3 grade points
C (average)	2 grade points
D (passing)	1 grade point
F (failure)	0 grade points
I (incomplete)	0 grade points
Q (must repeat)	0 grade points

Although a “D” is considered passing at Panola College for College credit courses, some Colleges will not accept a “D” for transfer credit. The grade point average (GPA) is determined by dividing the total number of grade points earned by the total number of semester hours attempted.

1. Multiply the second digit of the course number by the grade point value assigned to the letter grade.
Example: ENGL 1301 (3 semester hours) x 2 (value assigned to grade of C) = 6 grade points.
2. Repeat for each course.
3. Add all grade points earned.
4. Add the semester hours attempted in all courses taken.
5. Divide the sum of the grade points by the sum of the semester hours attempted.

<u>Course</u>	<u>Semester Hours</u>	<u>Grade</u>	<u>Grade</u>	
	<u>Attempted</u>	<u>Earned</u>	<u>Points</u>	
ENGL 1301	3	C	6	
HIST 1301	3	D	3	
BIOL 1411	4	B	12	24 divided by 14 = 1.71 GPA
MATH 1314	3	W	0	
MUSI 1306	3	F	0	
PHED 1109	<u>1</u>	<u>B</u>	<u>3</u>	
	14		24	

Developmental courses are included in GPA calculation for each semester. These courses are not included in the cumulative GPA. However, they are included in determining the eligibility for financial aid and athletic eligibility.

Developmental Courses

Courses designated as developmental will not count as credit toward any degree or certificate. Developmental courses have four-digit numbers; the first digit is a “0”. In the developmental studies program, a grade of “C” or better indicates satisfactory

progress for advancement either to the next level within the developmental program or into academic studies. A grade of “D” means the student will be retained in the same level in the developmental program, repeating the class. Receiving a “Q” can only occur once per developmental class. If the student fails to retake the class the following semester, the “Q” remains on the transcript and is treated as a “W” for state reporting purposes and Financial Aid. If a student is awarded a “Q”, they must repeat the same course the next long semester or retake and pass a TSI assessment before the next long semester begins. The repeated class will receive the grade earned, but the “Q” from the previous semester will not be amended. Students who are TSI deficient in two or more areas may not skip a semester if a grade of “Q” is attributed. If a student who received a “Q” decides to retest rather than take the course again, the existing TSI policy in regards to retesting will hold true. His/Her “Q” from the previous semester will remain on his/her transcript. In the case where a student has been given an “I”, after the 6 week completion period the “I” may be changed to a regular grade or a “Q” if the student meets the criteria.

Grade Reports

Official grades are available on-line through Campus Connect at the end of the semester. Official transcripts may be withheld if money is owed to any department of the College. The instructors in the fall and spring semesters file mid semester deficiency grades of “D” or “F”. Students may access the mid-term grades through Campus Connect. The grades do not become a part of the student’s permanent record. Students that receive a deficiency are encouraged to make an appointment with the teacher to discuss the deficiency. The Student Success Center will contact each student to see what services could be useful to help the student’s academic progress.

“First Alert”

The First Alert Program is designed to identify students’ class deficiencies before it is too late to help them succeed in College. It is the College’s goal to engage the faculty and Student Success staff into the student’s path of education, by identifying deficiencies and engaging a plan for success. Contact will be made with the student to discuss all opportunities to get on a correct path for success. Perhaps tutoring or better time management is needed. Perhaps the student needs to learn how to organize course content for better understanding. Whatever the problem may be, Panola College is committed to the success of our students.

Adding and Dropping Courses

During a designated time (located in the current class schedule), students may change their schedules by dropping or adding courses. A fee is assessed for schedule changes. If it becomes necessary to “drop” a course after the schedule-change period has ended, students must pick up an add/drop form from the Student Success Center. Students should fill out the information at the top and put the class/classes they wish to withdraw from on the form in the proper place and sign on the signature line. Students must then have the instructor/instructors, Financial Aid or scholarship grantor (if applicable), ELearning (if class is Internet class) and Residence Hall Supervisor (if dropping below 12 hours) sign the form in the appropriate places. If students are totally withdrawing from College, they do not need signatures from their instructors but all other signatures are required. The withdrawal will become official once it is submitted to the Student Success Center. Students will then receive a copy of the completed form for their records and a copy to take to the business office. The grade of “W” (withdrawn) is given during the first 12 weeks of the semester. The grade of “W” has no negative effect on the student’s GPA. All withdrawals from classes must be approved to become official. If the student does not contact the Student Success Center and exits a class unofficially, the instructor will award a grade of “F”.

Legislation was passed by the Texas Senate (SB 1231) in spring 2007 which could affect your College career. This legislation applies to all students entering a Texas public institution of higher education as a **first time freshman for fall 2007** and subsequent terms. Please read the following information carefully.

- Under section 51.907 of the Texas Education Code, “an institution of higher education may not permit a student to drop more than six courses, including any course a transfer student has dropped at another institution of higher education.” Any course that a student drops is counted toward the six course limit if “(1) the student was able to drop the course without receiving a grade or incurring an academic penalty; (2) the student’s transcript indicates or will indicate that the student was enrolled in the course (signified by a “W” grade at Panola College); and (3) the student is not dropping the course in order to withdraw from the institution.”
- The legislation does provide for some exemptions that would allow a student to drop a course without having it counted towards this limit. Contact the Student Success Center for more information.
- This statute applies to all Texas public Colleges and universities. Therefore, a Panola College student affected by this statute that has attended or plans to attend another institution of higher education should become familiar with that institution’s policies on dropping courses.
- Students should contact the Student Success Center for more information before dropping a course.

Withdrawal from the College

When a student finds it necessary to leave College before the end of a semester, the student **must** notify the Student Success Center. Instructions for clearing with the library and other departments will be given at the time of withdrawal. Students who fail to officially withdraw will receive the grade of “F”. Ceasing to attend class does not constitute official withdrawal. Refer to the College calendar for the last day to withdraw with a “W”.

Incomplete Course Work

Incomplete (“I”) is a temporary grade indicating that a student has satisfactorily completed the requirements of a course with the exception of a final examination or other work delayed by an illness, emergency, or authorized absence. The grade of “I” has the effect of an “F” in computing the GPA. The student must provide documentation to the instructor when requesting consideration for additional time. Before awarding an “I”, the instructor must secure the permission of the Vice President of Instruction. The student must complete work within six weeks after the end of the semester in which the grade was issued or receive an “F” for the course.

Repetition of Courses

If a course taken at Panola College is repeated, both grades will remain on the transcript but only the highest grade is counted in determining the total credit and overall GPA. It is the responsibility of the student to avoid inadvertently repeating a course. Panola College scholarships will not pay for a course repeated for the third time; students will be responsible for the “3 Peat” course.

Repetition of Courses for Grade Improvement

The only way a course grade may be raised is by repeating the course and earning a higher grade. If a course is repeated and a lower grade is earned, the highest grade becomes the grade of record.

Repeat Course Fees

The Texas Legislature has mandated that a course repeated by a student more than twice at a public institution of higher education may not be reported for state funding. For a course being “three-peated” (taken for a third time), students will be charged \$75 per semester credit hour (\$225 for a three hour course) in addition to tuition and required fees associated with the course. Courses in Developmental Studies are not affected by the supplementary fee. Scholarships do not pay for “three-peat” courses.

Transferred Courses

Course work accepted for transfer is posted to the student’s Panola College transcript, but the grades are not calculated into the GPA. Proper course selection and the avoidance of duplicating course work remain the responsibility of the student. Panola College must receive official transcripts from all Colleges attended from all transfer students.

Scholastic Probation

Probation occurs when the quality of a student’s work falls below the accepted standard of satisfactory progress. Scholastic probation is a conditional permission for a student to continue in College. A student must maintain a cumulative “C” (2.0 GPA) on all course work completed and/or accepted in transfer to Panola College. A student who fails to achieve a 2.0 GPA after accumulating 12 semester hours will be notified of his/her probationary status. The student should visit with a counselor concerning recommendations for improvement. (Refer to the *General Catalog* for additional important information.)

A student on probation may not register for more than four academic courses and two one-hour courses without the approval of the Vice President of Instruction.

Scholastic Suspension

A student on scholastic suspension is denied the privilege of registering for one spring or fall semester, as appropriate. Following the semester of suspension, the student may re-enroll on a probationary status. A student may enroll in the summer sessions without restriction for the purpose of raising the grade point average. (Refer to the *General Catalog* for additional information).

Class Attendance

Regular and punctual attendance of classes and laboratories is required of all students. When a student has been ill or absent from class for approved extracurricular activities, he or she should be allowed, as far as possible, to make up the work missed. When an instructor feels that a student has been absent to such a degree as to invalidate the learning experience, the instructor may recommend to the Vice President of Instruction that the student be withdrawn from the course. Instructors may seek to withdraw students for non-attendance after they have accumulated the following number of absences:

Fall or spring semesters:

5 absences, MWF classes

3 absences, TR classes

2 absences, one-day-per-week class

Summer Sessions:

2 absences, four-days-a-week classes

2 absences, two-evenings-a-week classes

The student is responsible for seeing that he or she has been officially withdrawn from a class. A student who stops attendance in a class without officially withdrawing from that class will be given a failing grade; consequently, the student must follow official withdrawal procedures in the Student Success Center.

Religious Holy Days

In accordance with Section 51.911, Texas Education Code, Panola College shall allow a student who is absent from class for observance of a religious holy day to take an examination or complete an assignment scheduled for that day within one week after the absence if, not later than the 15th day after the first day of the semester, the student notifies the instructor of each class the student had scheduled on that date that the student would be absent for a religious holy day. Notifications of planned absences must be in writing and must be delivered by the student either personally to the instructor of each class, with receipt of the notification acknowledged and dated by the instructor; or by certified mail, return receipt requested, addressed to the instructor of each class.

Texas Success Initiative Plan (TSI) Class Required Attendance

The student who has not satisfactorily completed the TSI testing requirement must be enrolled and participate continuously (every semester) in developmental education in at least one subject area, as determined by the institution. The student who is excessively absent from the required class or does not participate in the course work will be assigned a grade of “F” for the course.

Change of Name or Address

Students who change their name, residence or mailing address should notify the Student Success Center immediately. Failure to do so constitutes falsification of information. If a change of residency is made, documentation and all official correspondence will be mailed to the name and address on record. All changes must be completed in the Student Success Center (request for changes must be accompanied by official documents – drivers license, marriage license, divorce decree, etc.).

Access to Student Records

Access to records by persons or agencies other than the student is limited by the Texas Open Records Act and the Family Educational Rights and Privacy Act of 1974. Information which may be released to the public without the consent of the student is limited to the following categories: name, address, telephone number, dates of attendance, classification, previous institutions attended, major field of study, awards, honors (including Vice President’s and President’s List), degree(s) conferred (including dates), past and present participation in officially recognized sports and activities, physical factors (height, weight of athlete), date and place of birth. This directory information is disclosed unless a request to withhold the release of the information was made in writing and received in the Student Success Center prior to or at the time of a student’s initial registration. Any change in the release information status must be made in writing. Requests for directory information must be made in writing, and each request will be considered individually. Each student may request that any or all of this information be withheld from the public by making a written request to the Admissions/Records Department. Forms are available. Parents/legal guardians have the right to view student records upon request if the student is claimed as a dependent on the federal tax return.

Review of Record

The Family Educational Rights and Privacy Act of 1974, as amended, provide students with the right to inspect and review the contents of their educational records (except as limited under this law). Areas in which records are maintained:

1. Academic: registrar, continuing education and faculty offices.
2. Placement and testing records: registrar and counseling offices.
3. Financial: financial aid and business offices.

Students are entitled to obtain copies, at their expense, to receive explanations or interpretations of the records and to request a hearing to challenge the content. Access to the records must be requested on a form available from the official in charge of the particular record. Informal Review: Follow the procedure requesting examination of records. An official will date and sign a summary of action form that will be maintained in the student's file. Formal Review: If the question of accuracy is not resolved during the informal review, the student may request a formal review. The Academic Appeals Committee will hear challenges concerning these records.

Challenging a grade must occur before the end of the fall or spring semester immediately following awarding of the grade.

FINANCIAL AID OPPORTUNITIES

Grants and Work Study

Panola College offers financial assistance to qualifying students in the form of federal and state grants and opportunities for student employment. Financial aid is money awarded to students to help pay for educational expenses. All students seeking financial aid at Panola College must complete the Free Application for Federal Student Aid (FAFSA) online at <http://www.fafsa.ed.gov>, along with any institutional forms required. Students should submit all necessary paperwork and have their financial aid file completed as soon as possible. Since supplemental aid is awarded on a first-come, first-served basis, it is best to apply as early as possible. Panola College receives both state and federal funds for student aid. Consequently, the entrance requirements and academic progress requirements for financial aid eligibility may be greater than those stated in other sections of this handbook.

Scholarships

Panola College has various types of scholarships available, including endowed scholarships, organizational scholarships, and departmental scholarships. Students who feel that they need or are eligible for a scholarship should contact the person indicated within the scholarship description given in the *General Catalog*. Students on scholarship must be enrolled fulltime (taking a minimum of 12 semester hours) and must maintain a minimum of a 2.0 cumulative GPA or maintain the specific GPA required for a particular scholarship.

Veteran's Benefits

Panola College is fully approved for training of veterans under the provision of the GI Bill ® (Public Laws 346, 550, 16, and 890-358). Veterans and dependents of veterans should apply for benefits before the school term begins. Texas veterans who may be eligible for benefits under the Hazelwood Act should contact the Financial Aid Office. Consult the *General Catalog* for additional information or contact the Veteran's Advisor: 903.693.2034.

GI Bill ® is a registered trademark of the United States Department of Veterans Affairs (VA).

Loans

Panola College participates in the Federal Direct Student Loan program. Direct Loans are low-interest loans for students and parents to help pay for the cost of a student's education after high school. The lender is the U.S. Department of Education. All student loans will be processed through the Financial Aid Office at Panola College. In order to qualify, a student must complete the FAFSA (Free Application for Federal Student Aid). The application is online at www.fafsa.ed.gov. Entrance counseling and a loan application is required. The application is online and can be accessed through the financial aid office.

Vocational Rehabilitation

A student who has a disability may obtain assistance for tuition, fees, and other expenses through the Texas Rehabilitation Commission. A student who feels he or she qualifies should make application for this assistance to the Texas Rehabilitation Commission office having jurisdiction over the community in which his or her home is located.

FINANCIAL OBLIGATIONS

Deferred Payment Arrangements

Deferred payments may be made through FACTS. There is a \$25 per semester enrollment fee. Expenses will be set up to be deducted from a checking account, savings account or credit/debit card (Discover, MasterCard or American Express). With the exception of down payments, all remaining payments are deducted on the 5th of each month until the balance has been paid in full. If a credit/debit card is used, a convenience fee in addition to the enrollment fee will be assessed. All expenses can be included in this plan such as tuition, fees, books, room and meals. These deferred payment arrangements are interest free. Access this plan at <http://www.panola.edu> via Campus Connect. For additional information or questions about FACTS, please call (903) 693-2030.

Refund Policy

The State of Texas has established a tuition and fee refund policy for Community/Junior and Technical Colleges. Panola College has no ability to vary in any degree from the established policy. Students who officially withdraw from classes will have their tuition and mandatory fees refunded according to the following schedule.

For Coordinating Board approved semester-length courses for which semester-hour credit is awarded:

1. A 100 percent refund is made for courses dropped prior to the first day of class. First day of class means the first day shown on the College calendar and not the first meeting of a particular class.
2. A 70 percent refund is made if the student withdraws during the first fifteen days of a fall or spring semester. A 25 percent refund is made if the student withdraws between the sixteenth and twentieth days of the fall or spring semester. No refund is made after the twentieth class day of the fall or spring semester.
3. A 70 percent refund is made if the student withdraws during the first eight days of an eight-week term. STUDENT SUCCESS

Academic Advising

Academic Advising is required of all new students, students required to take a developmental course, and students enrolled in a certificate program and/or a Career and Technical field of study in order to register each semester. We recommend that all students seek academic advisement each semester from the academic advisors in the Student Success Center or the faculty advisor assigned in each program or field of study. If a student elects not to seek academic advisement, the College assumes no responsibility for any delay the student encounters in graduating because the student has selected classes which do not meet graduation requirements. Students may be automatically dropped from courses for which they do not have proper prerequisites.

Bulletin Boards

Students should read the bulletin boards on a regular basis for announcements of importance. Information is posted on bulletin boards throughout the campus. Students are responsible for information posted. The Student Activities Coordinator must approve advertising not associated with College business prior to its being posted.

Student Center

The Student Center offers students an opportunity to relax in the café, watch television, play billiards or ping pong, or use computers. The Student Center also includes the Panola College Store, cafeteria, and post office.

Identification (ID) Cards (Panola Card)

New students are issued identification (ID) cards, also known as the Panola Card, in the Student Success Center. Your Panola Card is linked to a checking account at Herring Bank. This will be the default account for all student disbursements from Panola College unless you designate a different account through Campus Connect. Some students may also be required to obtain an ID Badge from the Student Success Center. The Panola Card or ID Badge must be presented for admission to official College functions requiring an ID, the M.P. Baker Library, the Fitness Center, student activities, athletic competitions, dining hall services, etc. Replacement fees for lost or stolen cards will be accessed (see Additional Fees in Expenses section of the General Catalog).

Motor Vehicle Registration

Any student, faculty member or employee who operates or parks one or more motor vehicles on the campus must register each vehicle with the Student Success Center and affix the parking sticker as prescribed.

Student Organizations

Panola College recognizes the importance of student involvement in activities as an integral part of the educational process that enriches and develops the student's special interests and needs. The cost of any professional service is the responsibility of the student. Students are encouraged to have medical insurance coverage from a company of their choosing. Information concerning a sickness and accident insurance policy available to students and their dependents is available. Inquire in the Business Office.

HIV/AIDS and Other Communicable Diseases

Panola College recognizes that students or employees with communicable diseases, including HIV infection, may wish to engage in as many of their normal pursuits as their condition and ability to perform their duties allow. These pursuits include attending classes or work. As long as these students or employees are able to meet acceptable performance standards, and medical evidence indicates that their conditions are not a threat to themselves or others, the administrators, faculty and staff should be sensitive to their condition and ensure that these individuals are treated consistently and equally with other students and employees.

At the same time, Panola College has an obligation to provide a safe environment for all students and employees. A student or employee with a communicable disease should report the condition to the Vice President of Student Services or to his/her immediate supervisor, as appropriate. The educational pamphlet on HIV infection developed by the Texas Department of Health is distributed to all employees and is available to students upon request.

Every precaution should be taken to ensure that a student's or employee's condition does not present a health or safety threat to others. The fact that a student or employee has a communicable disease does not relieve that individual of the requirement to comply with performance standards as long as he/she is enrolled in classes or remains employed with the College. All efforts will be made to protect the student's or employee's right to confidentiality.

M.P. BAKER LIBRARY

The Learning Resources Center (LRC), named for M. P. Baker, president of Panola College from 1951-1967, supports the entire instructional program. An expansion and renovation project completed in 2009 increased the size of the library by almost three-fold. The mission of the LRC is to be an academic information resource for the students and faculty of the College. The LRC staff strives to provide services to enhance the whole student and to provide opportunities for students to become lifelong learners.

The holdings of the LRC include a growing collection of books, media and electronic materials to support academic transfer, technical and vocational programs as well as to satisfy the educational, informational and recreational needs of the students and faculty. The LRC subscribes to local, regional and national newspapers, a wide variety of periodicals and other electronic resources. STANDARDS OF STUDENT CONDUCT, RIGHTS, AND RESPONSIBILITIES

Students are expected to conduct themselves as responsible citizens. Faculty, staff, and administrators have the authority to establish and maintain standards of conduct for students. This authority not only extends to the classroom, residence halls, and all on-campus activities but also all College-sponsored, off-campus activities. Any student who fails to conduct himself/herself responsibly with respect to persons and property may be withdrawn from school. The College may drop a student from a class or from all classes for any breach of conduct. Students who are removed from a class or classes can seek appeal by due process.

Acquaintance with Policies, Rules, and Regulations

The standards of student conduct are subject to change by action of the College administration. Each student is expected to be fully acquainted with all published policies, rules, and regulations of the College. Copies of the *General Catalog*, *Schedule of Classes*, and *The Pathfinder* are available online at the Panola College website <http://www.panola.edu>. Board policy is available online. Each student is responsible for compliance with these policies, rules, and regulations. Students are also responsible for compliance with all federal, state, and local laws.

Student Conduct

While a student may receive lesser penalties for these offenses, it should be understood that dismissal from the College is possible in those cases warranting the maximum punishment. While it is not possible to list all behaviors inconsistent with membership in a scholarly community, the regulations listed in this section do identify the behavior that can lead to suspension from the College.

Some of the offenses described below are crimes in Texas and may be prosecuted independently of any disciplinary action taken by Panola College. Neither intoxication nor the use of any other drug shall serve as a defense or mitigate the seriousness of an offense. All student organizations are subject to the same regulations as those that apply to individuals. Violation of these policies will subject the organizations and/or individuals involved to appropriate discipline.

All students shall obey the law, show respect for properly constituted authority, and observe correct standards of conduct.

It is the College's responsibility and intention to be firm in establishing and enforcing reasonable rules and regulations to insure that such activities of students and non-students do not disrupt the normal and essential operations of this institution. Unlawful assembly is defined as the congregation by students or others on College-controlled property in doorways, hallways, classrooms, and other facilities so as to prevent students, faculty, or administrative officials from entering or leaving classes, offices, or any other facility. Preventing persons from pursuing their lawful occupation is a criminal violation of the statutes

The College reserves the right to refuse acceptance to prospective or former students who have criminal records including conviction of a felony, offenses involving moral turpitude, or other offenses of serious character.

SAFETY AND SECURITY

Members of the College community have the right to expect to be safe and secure in their persons and property. Unauthorized use of the fire exits is prohibited by the fire code. Violations will be turned over to the Campus Police or City Fire Marshal to be handled according to public laws.

Fire Prevention

Students should take responsibility to ensure Residence Halls are free of fire hazards. **Open flames such as candles, incense, matches, or lighters are prohibited due to their potential as fire hazards.** Irons and other appliances should never be left on when the room is unoccupied. Wall plugs that increase the available number of outlets are prohibited. Electrical outlets should not be overloaded. These items may be removed from student's rooms without notification. Items may be returned at the end of the semester in which they were found.

Suspended Students

No former student who has been suspended for disciplinary reasons from the College District shall be permitted on the campus or other facilities of the College District during the period of suspension without the prior written approval of the College President or a designated representative.

NOTICE: The student will be informed of sanction(s) in writing and will be informed of the appeal process. If a student accepts the recommended sanction, he/she must sign a statement indicating understanding of the sanction and shall automatically waive all further rights to procedures for appeal.

ACADEMIC AND DISCIPLINARY COMPLAINTS AND APPEALS

GUIDING PRINCIPLES: INFORMAL PROCESS

The College District encourages students to discuss their concerns through informal conferences with the appropriate instructor or other campus administrator.

Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level. If an informal conference regarding a complaint fails to reach the outcome requested by the student, the student may initiate the formal process described below by timely filing a written complaint.

Even after initiating the formal complaint process, students are encouraged to seek informal resolution of their concerns. A student whose concerns are resolved may withdraw a formal complaint at any time. The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or “mini-trial” at any level.

Neither the Board nor any College District employee shall unlawfully retaliate against any student for bringing a concern or complaint.

This policy shall apply to all student complaints except as provided below.

EXCEPTIONS: This policy shall not apply to:

1. Complaints for forced withdrawal from developmental courses in accordance with state law.
2. Complaints alleging discrimination or harassment based on race, color, gender, national origin, disability, or religion. [See FDE of the *Board Policy Manual*]
3. Complaints concerning retaliation relating to discrimination and harassment. [See FDE of the *Board Policy Manual*]
4. Complaints concerning a commissioned peace officer who is an employee of the College District. [See CHA of the *Board Policy Manual*]

Complaint forms may be filed by hand-delivery, fax, or U.S. mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Fax filings shall be timely filed if they are received on or before the deadline, as indicated by the date/time shown on the fax copy. Mail filings shall be timely filed if they are postmarked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

At Levels One, Two, and Three “response” shall mean a written communication to the student from the appropriate administrator. Responses may be hand-delivered or sent by U.S. Mail to the student’s mailing address of record or sent electronically. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

“Days” shall mean College District business days. In calculating time lines under this policy, the day a document is filed is “day zero.” The following day is “day one.”

“Representative” shall mean any person or organization designated by the student to represent the student in the complaint process.

The student may designate a representative through written notice to the College District at any level of this process. If the student designates a representative with fewer than three days’ notice to the College District before a scheduled conference or hearing, the College District may reschedule the conference or hearing to a later date, if desired, in order to include the College District’s counsel. The College District may be represented by counsel at any level of the process.

Complaints arising out of an event or a series of related events shall be addressed in one complaint. A student shall not bring separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form is not timely filed, the complaint may be dismissed, on written notice to the student, at any point during the process. The student may appeal the dismissal by seeking review in writing within three business days from the date of

the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Each party shall pay its own costs incurred in the course of the complaint.

Complaints under this policy shall be submitted in writing on a form provided by the College District.

Copies of any documents that support the complaint should be attached to the complaint form. If the student does not have copies of these documents, copies may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the student unless the student did not know the documents existed before the Level One conference.

A complaint form that is incomplete in any material aspect may be dismissed, but may be re-filed with all the required information if the re-filing is within the designated time for filing a complaint.

FORMAL COMPLAINT/APPEALS PROCESS:

LEVEL 1: FILE A FORMAL COMPLAINT OR APPEAL WITH THE EMPLOYEE/INSTRUCTOR

The conference shall be limited to the issues presented by the student at Level One and identified in the Level Two appeal notice. At the conference, the student may provide information concerning any documents or information presented at Level One. The Level Two administrator may set reasonable time limits for the conference.

The Level Two administrator shall provide the student a written response within three business days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Two administrator may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Level Two administrator believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

LEVEL 3: APPEAL TO APPEALS COMMITTEE: If the student did not receive the relief requested at Level Two or if the time for a response has expired, the student may request an appeal hearing from the appropriate vice president to appeal the Level Two decision.

The appeal notice must be filed in writing, on a form provided by the College District, within three business days of the date of the written Level Two response or, if no response was received, within three business days of the Level Two response deadline.

After receiving notice of the appeal, the Level Two administrator shall prepare and forward a record of the Level Two complaint to the Level Three administrator. The student may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The written response issued at Level Two and any attachments.
3. All other documents presented at Level Two.

The Level Three administrator shall convene an appeals committee within three business days after the appeal notice is filed. The conference shall be limited to the issues presented by the student at Level One and identified in the Level Three appeal notice. At the conference, the student may provide information concerning any documents or information relied on by the administration for the Level Two decision. The Level Three administrator may set reasonable time limits for the conference.

The Level Three administrator shall provide the student a written response within three business days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the appeals committee may consider the Level One and Level Two record, information provided at the Level Three conference, and any other relevant documents or information the Level Three administrator believes will help resolve the complaint.

Recordings of the Level One, Level Two, and Level Three conferences, if any, shall be maintained with the Level One, Level Two, and Level Three records.

The Appeals Committee shall consist of three instructors, one from each division (Academic, Technical, and Health Science) appointed biennially by the Vice President of Instruction, one administrator appointed by the College President, and one student appointed by the Vice President of Student Services. The chair will be designated by the Vice President of Instruction. The chairperson of the appeals committee shall be given the written appeal from LEVEL 1/LEVEL 2 and shall set the time for the committee to hear the appeal. The hearing shall be conducted on the College District campus and attended only by those persons authorized by the chair of the appeals committee.

NOTICE: The chair of the appeals committee shall notify the student of the date, time, and place for the hearing. The notification shall advise the student of his/her rights:

1. To have an advisor present at the hearing (the person may not present the case, question witnesses, or address the committee)
2. To call witnesses and request copies of evidence
3. To have the hearing tape recorded
4. To ask questions of each witness
5. In the case of Disciplinary appeal:

2. The chair shall read the student's request for formal review, and the appeal from the form used at LEVEL 2.

4. The student shall present his or her appeal. No additional documents may be presented other than those used at Level 1 and Level 2 unless the student did not know they existed.
5. Either side may offer rebuttal and any member of the committee may ask questions.
6. The appeals committee will take the matter under advisement in closed session (without student and officials present)

7. The committee shall decide whether an error was made in calculating a grade or whether the student is guilty or innocent of a charge (such as cheating, or possession of drugs). The decision shall be determined by a majority vote of the committee and they may take the matter under advisement for 24 hours before rendering a decision.
8. The chair of the academic appeals committee shall inform the student and the appropriate Vice President in writing as to the decision of the committee. The Vice President will inform the involved employees of the decision.

EVIDENCE: Evidence shall be handled according to the following:

1. Legal rules of evidence do not apply; the committee chair may admit evidence that is commonly accepted by reasonable persons in the conduct of their affairs. The chair may exclude irrelevant, immaterial, and unduly repetitious evidence.
2. At the hearing, the College district shall be required to prove by a preponderance of the evidence that the charges are true. This is known as the greater weight of the credible evidence, not reasonable doubt as in criminal cases.
3. A student shall not be compelled to testify.
4. The appeals committee shall decide the issue to uphold or deny the student request solely on the basis of the evidence presented at the hearing.
5. A tape recording shall be made of the hearing. If needed for an appeal, transcripts will be made at the written request of the student or the College. The cost shall be borne by the one requesting the transcription.

LEVEL 4: APPEAL TO THE COLLEGE PRESIDENT: Within three business days of receiving notice of the committee's decision, either or both parties may petition in writing the College President (Level Four) to review the decision. The petition(s) shall state with particularity why the decision is believed to be incorrect or unfair. The College President will hold a conference with the involved parties to discuss the appeal.

Within five business days of receiving the petition, the College President may act to affirm, modify, remand, or reverse the decision. If no action is taken within five business days, the committee's decision will thereby be affirmed and final.

Appendix:

Panola College is required by federal and state law to provide the following information on certain diseases, the Panola College Alcohol and Drug Policy, and campus safety to all incoming students.

IMPORTANT INFORMATION ABOUT BACTERIAL MENINGITIS

This information is being provided to all new College students in the state of Texas. Bacterial Meningitis is a serious, potentially deadly disease that can progress extremely fast – so take utmost caution. It is an inflammation of the membranes that surround the brain and spinal cord. The bacteria that causes meningitis can also infect the blood. This disease strikes about 3,000 Americans each year, including 100-125 on College campuses, leading to 5-15 deaths among College students every year. There is a treatment, but those who survive may develop severe health problems or disabilities.

WHAT ARE THE SYMPTOMS?

- High fever
- Lethargy
- Stiff neck
- Rash or purple patches on skin
- Severe headache
- Nausea
- Light sensitivity
- Vomiting
- Seizures
- Confusion and sleepiness

There may be a rash of tiny red-purple spots caused by bleeding under the skin. These can occur anywhere on the body.

The more symptoms, the higher the risk, so when these symptoms appear, seek immediate medical attention.

HOW IS BACTERIAL MENINGITIS DIAGNOSED?

- Diagnosis is made by a medical provider and is usually based on a combination of clinical symptoms and laboratory results from spinal fluid and blood tests.

Early diagnosis and treatment can greatly improve the likelihood of recovery.

HOW IS THE DISEASE TRANSMITTED?

- The disease is transmitted when people exchange saliva (such as by kissing, or by sharing drinking containers, utensils, cigarettes, toothbrushes, etc.) or come in contact with respiratory or throat secretions.

WHAT ARE THE POSSIBLE CONSEQUENCES OF THE DISEASE?

- Death (in 8 to 24 hours from perfectly well to dead)
- Gangrene
- Permanent brain damage
- Coma
- Kidney failure
- Convulsions
- Learning disability
- Limb damage (fingers, toes, arms, legs) that requires amputation
- Hearing loss, blindness

CAN THE DISEASE BE TREATED?

- Antibiotic treatment, if received early, can save lives, and chances of recovery are increased. However, permanent disability or death can still occur.
- Vaccinations are available and should be considered for:
- Those living in close quarters.

- College students twenty-nine years old or younger.
- Vaccinations are effective against four of the five most common bacterial types that cause 70% of the disease in the U. S. (but do not protect against all types of meningitis).
- Vaccinations take seven-ten days to become effective, with protection lasting three-five years.
- The cost of vaccine varies so check with your health care provider.
- Vaccination is very safe – most common side effects are redness and minor pain at the injection site for up to two days.
- Vaccination may be available at your health care provider or local or regional Texas Department of Health office.
