**Instructional Goals and Purposes:**
The purpose of this course is to fulfill the academic requirements necessary to earn an associate degree or transfer degree, or to provide personal enrichment opportunities for Panola College students seeking an interdisciplinary course emphasizing the structure and influence of mass communication. This course will give students the tools for critically analyzing all media types so they can become more knowledgeable media consumers. They will be provided with information about how various types of media were developed, the roles they play in the mass communication and media landscape, and what it means for them in a digital media world. Students will examine journalism, entertainment, advertising and public relations, and will study general mass communication theories and laws affecting the media.

**Learning Outcomes:**
After studying all materials and resources presented in the course, the student will be able to:
- Demonstrate understanding of the fundamental types, purposes, and relevance of mass communication.
- Demonstrate understanding of mass media in historic, economic, political, and cultural realms.
- Demonstrate understanding of the business aspects of mass media and the influence of commercialism.
- Demonstrate understanding of evolving media technologies and relevant issues and trends.
- Demonstrate understanding of mass media values, ethics, laws, and industry guidelines.
- Demonstrate understanding of globalization of mass media.
- Demonstrate understanding of media effects on society.

**Course Content:**
A general description of lecture/discussion topics included in this course are listed in the Learning Objectives section of this syllabus.

Students in all sections of this course will learn the following content:

1. Mass Media Literacy
2. Media Technology
3. Media Economics
4. Print
5. Electronic Media
6. News
7. Entertainment
8. Advertising and Public Relations
9. Media and Democracy
10. Media Law
Methods of Instruction/Course Format/Delivery

The course is offered in the traditional classroom or online formats for lectures, discussions and audiovisual presentations, including links to online resources.

Major Assignments / Assessments:
The following items will be assigned and assessed during the semester and used to calculate the student’s final grade.

Assignments
1. Current Events – Media Reports and Evaluations
2. PowerPoint or MultiMedia presentations on Mass Media topics
