AGENCY MISSION

Panola College shapes its mission around the needs of the people within its service area. As a two-year public community institution, Panola College is dedicated to providing excellence in education for its constituents. The range of educational offerings both face-to-face and electronic includes university transfer programs, technical and workforce programs, developmental courses designed to increase academic proficiency, and continuing education to enrich lives and improve skills. Our aim is to help each student achieve his or her full potential and contribute to the further development of society.

974 Panola Junior College

Please find attached Panola College's Legislative Appropriations Request for Fiscal Years 2014 and 2015. Panola College is committed to excellence in instructional programs, student services, service to the community, and leadership in economic development and cultural enrichment of the region. Costs to provide a quality education for a growing number of students continue to increase. In recent years, the cost of operation has shifted from the state to the local taxpayers and to the students. Increased tuition and fees seems to be our only option to continued insufficient state funding and a declining tax base. Our students are highly sensitive to these increases.

Panola College needs the financial support of the state. We urge the Governor's Office of Budget and Planning and the Legislative Budget Board to recommend the Community College formula funding endorsed by the Texas Association of Community Colleges. Panola College endorses the \$1.968 billion request for student success funding for the 2014-15 biennium and recommends, as the July 16, 2012 letter outlines, that funding for community colleges be appropriated through three strategies: Core Operations, Student Success Points and Contact Hour Funding.
