Instructional Goals and Purposes:

This course will emphasize the four language skills of listening, speaking, reading and writing, as well as an appreciation of Hispanic culture. To develop these skills to the best of the student's ability, active participation by the student is required. This course is intended to teach basic vocabulary and grammar of beginning level Spanish.

Learning Outcomes: [from the ACGM catalog]

After studying all materials and resources presented in the course, the student will be able to:

1. Engage in conversations using level-appropriate grammatical structures including narrating events that take place in the present and producing questions and responses on a variety of topics dealing with everyday life.
2. Demonstrate understanding of level-appropriate spoken Spanish.
3. Write simple sentences and organize them into short paragraphs.
4. Read and comprehend level-appropriate texts.
5. Identify and discuss traditions, customs and values of the Hispanic world.
6. Compare and contrast the traditions, customs and values of the Hispanic world with characteristics of their own culture.

Course Content:

Students in all sections of this course will learn the following content:

1. vocabulary including cognates, family members, numbers, academic subjects, animals, days of the week, months of the year, telling time, clothing, interrogatives, seasons, colors, descriptive adjectives, etc.
2. the verb ser
3. articles and gender
4. hay, estar and ir, present tense of regular verbs, subject pronouns
5. personal a, adjective agreement
6. saber and conocer, present tense of irregular verbs
7. present tense of stem-changing verbs
8. reflexive verbs, possession and adjectives

9. demonstratives, more with ser and estar

Methods of Instruction/Course Format/Delivery:

Instruction for this course will be achieved through the use of lecture, discussion, video, student presentations and Canvas.

Assessment:

Reading:

1. students will answer questions in the reading comprehension section of each written test and the final exam
2. students will complete internet activities over Spanish websites

Listening:

3. students will answer questions in the listening comprehension section of each written test responding to audio materials in various formats that use the vocabulary and grammatical structures previously covered
4. students will also answer questions about their conversations

Writing:

5. students will write in different situations including dialogues, descriptions and narratives
6. students will write using different modes of expression as part of each written test and final exam

Speaking:

7. students will demonstrate their mastery of vocabulary and grammar by oral quizzes and presentations
8. pronunciation will be evaluated during conversations in class

Cultural Awareness:

9. students will respond to videos about the various Spanish-speaking countries
10. students will give oral reports to the class over some aspect of Spanish (folklore, literature, fine arts, etc.)

Course Grade:

The grade for this course will be based on study plans, quizzes, and exams. The final exam is comprehensive. Tests will be frequent and given at the end of each unit. Lecture counts 75% of the overall grade and lab counts 25%. (Study plans 25%, Quizzes 20%, Exams 30%, and Lab 25%).

Texts, Materials, and Supplies:

Lumen learning access online (OER)

There is no outside textbook required. You CANNOT complete this course via cell phone.

Other:

- Courses conducted via video conferencing may be recorded and shared for instructional purposes by the instructor.
- For current texts and materials, use the following link to access bookstore listings: <http://www.panolacollegestore.com>
- For testing services, use the following link: <http://www.panola.edu/student-services/student-support/academic-testing-center>
- If any student in this class has special classroom or testing needs because of a physical learning or emotional condition, please contact the ADA Student Coordinator in Support Services located in the Charles C. Matthews Student Center or go to <https://www.panola.edu/student-services/student-support/disability-support-services> for more information.

- Panola College welcomes pregnant and parenting students as a part of the student body. This institution is committed to providing support and adaptations for a successful educational experience for pregnant and parenting students. Students experiencing a need for accommodations related to pregnancy or parenting will find a Pregnancy and Parenting Accommodations Request form in *The Pathfinder* or may request the form from the course instructor.
- Withdrawing from a course is the student's responsibility. Students who do not attend class and who do not withdraw will receive the grade earned for the course.

Artificial Intelligence (AI) Course Policy:

– No use of Generative AI permitted.

This policy assumes that all work submitted by students will be generated by the students themselves, whether they are working individually or in groups. Students should not have another person or entity do the writing of any portion of an assignment, which includes hiring a person or a company to write assignments and/or using artificial intelligence (AI) tools like ChatGPT or Online Translators. Use of any AI-generated content in this course qualifies as academic dishonesty and violates Panola College's standards of academic integrity.
