**\*\*Repeat Course Fees.** The Texas Legislature has mandated that a course repeated by a student more than twice at a public institution of higher education may not be reported for state funding. As a result, the institution must either pass the non-funded portion to all students or charge a supplementary fee to the student who is repeating the course. Consequently, Panola College has chosen to assess a supplementary fee to only those students repeating the course more than twice, beginning with the Fall 2006 semester. Courses in Developmental Studies and English as a Second Language (ESL) are not affected by the supplementary fee. For a course being “three-peated” (being taken for a third time), students will be charged \$75 per semester credit hour (\$225 for a 3 hour course) **in addition** to tuition and required fees associated with the course. Students will be notified at the time they register for a course that it has been taken twice at Panola College and is subject to the supplementary fee.
